Collect for the Third Sunday after Trinity

God our saviour,
look on this wounded world
in pity and in power;
hold us fast to your promises of peace
won for us by your Son,
our Saviour Jesus Christ.

Our vision is to be a joyful and vibrant church empowered by the Holy Spirit committed to sharing God's love with the wider community, welcoming partnership with others, so that all may be drawn in to the abundant life of Christ.

Anointing with Oil and Prayer for Healing

Our future 10.00 a.m. Communion Services during the interregnum will include anointing with oil with prayer for healing alongside the administration of Bread and Wine.

The act of Anointing will be accompanied by this short prayer;

N, I anoint you in the name of God who gives you life.

Receive Christ's forgiveness, his healing, and his love.

May God our Father grant you his wholeness and his peace. AMEN.

Anointing with Oil is frequently used in the Bible to set people apart for their ministry. In the Gospels Jesus frequently lays hands on the sick and prays for healing. His disciples when sent out by Jesus on their first Mission 'anointed many sick people with oil and healed them.' Mark 6.13. Anointing with oil was accepted as an outward sign of the healing grace of God in the early church and is frequently used today. James 5.14.

It seems very appropriate in the context of Communion when we receive bread and wine and remember Christ body broken on the Cross and his blood poured out for our forgiveness to offer an anointing for healing and an empowering to serve Christ in our daily lives. The anointing with prayer for healing is voluntary. If you don't wish to receive it can you return to your place using the side aisles.

If you wish to receive anointing please give your name to the persons offering it. After receiving an anointing and prayer please return to your place using the side aisles. If there is a queue please take a seat on the front pew and wait till the person anointing is free.

People who wish to ask for a blessing keep your hands by your side and the person administering the bread will know that you desire a blessing. The same with young children.

Pray that people receiving Communion and Anointing may receive all the benefits of Christ's death and Resurrection.

Interregnum Update

On Monday the 7th of July there will be a special meeting of the PCC to approve the finished Parish Profile, which you will be able to see from next week. At this meeting we will also be considering the advertisement for our new Rector and appointing two members of the PCC to act as representatives of the Church during the interview process. This represents an important milestone in the journey through our interregnum. Could I ask you to pray for this meeting and the PCC as we make these important choices?

As we start to advertise for a new Rector it is important that we come together as a community to seek God's help. Can I encourage you to make a commitment to pray regularly for our new Rector, our interim leadership team and for our Church? We want to take this opportunity to thank you all for your patience, love and support over the past few months as we've tried to navigate new territory.

As we navigate the interregnum, good communication is really important. If you have any concerns, issues or queries about the running of the church please raise them directly with the churchwardens: slchurchwardens@gmail.com
