Collect for the Sixth Sunday of Easter

Risen Christ,

by the lakeside you renewed your call to your disciples:

help your Church to obey your command

and draw the nations to the fire of your love,

to the glory of God the Father.

Our vision is to be a joyful and vibrant church empowered by the Holy Spirit committed to sharing God's love with the wider community, welcoming partnership with others, so that all may be drawn in to the abundant life of Christ.

At our APCM, in addition to reflecting on and thanking God for the previous year, we elect people to serve on the PCC. This year we are also seeking someone who would take on the responsibility of Churchwarden, as Mike steps down from the role. These positions are an important opportunity to serve God and his people and can have a real impact on our corporate life together. Please consider carefully whether God may be calling you to serve in this way. If you'd like to understand more about what's involved, we encourage you to talk with Mark or our current Churchwardens Mike and Mienke.

Christian Aid Week

Christian Aid Week is from 10th - 16th May.

Christian Aid (<https://www.christianaid.org.uk/>) is a UK charity, founded by UK churches in 1945. It is now working in 29 countries across the world to fight poverty and support vulnerable communities (especially regarding Climate Change) and provide emergency aid. This year it is highlighting its Middle East Humanitarian Appeal and support to alleviate urban poverty, especially in Africa.

If you would like to donate, you can do so via the website . Envelopes will be available soon. Thank you.

Correction to previous donation figures

We would like to clarify that the recent Tearfund appeal referred to was the Harvest Appeal (not the Lent Appeal as previously stated). In addition, a donation of £450 was unintentionally omitted from the earlier total. The correct revised total should therefore read £2,020.

The logo for Tearfund, consisting of the word "tearfund" in white lowercase letters on a blue rectangular background.
